LIBRARY TRUSTEES REPORT

The trustees of the Winchester Public Library herewith present to the voters of Winchester their forty-third report.

During the past year 267 new volumes have been purchased, fiction, 130; non-fiction, 64; juvenile, 73. The Orrin W. Cook collection of books, consisting of about 500 volumes, which had been willed to the library, was transported from Springfield, Mass., and is being filed and placed on the shelves. 40 other volumes have been donated by friends.

A smaller number of books and magazines have been taken from the library during the past year, probably due to more steady employment. The total circulation was 22,072, fiction, 11,482; juvenile, 5,390; non-fiction, 2,576; magazines, 2,624.

Book lists, a new desk and an electric clock were all purchased with fines money.

Respectfully submitted,

DORIS H. WHEELER, Secretary,
ALBAN J. LOBDELL, President,
ETHEL A. HAMMOND, Treasurer,
JAMES T. WELCH,
OLIVE B. HOLMES,
HAZEL L. DICKINSON,
ARCHIE D. JENNINGS,
ALEXANDER F. PIERCE,
PARKE F. WEEKS,

Trustees.

REPORT OF DISTRICT NURSE

For the Year 1935

I hereby submit my second annual report to the town of Winchester:

Total number of cases, including all supervision cases,	517
Total number of pre-natal, post-natal deliveries and new-borns, visits,	481
Total number of non-communicable diseases, visits,	971
Total number of contagious cases, instructions only,	16
Total number of supervision cases,	239
Total number of social service calls,	14
Total number of visits to the above cases,	1,721
Total number of insurance cases visited,	76
Total number of full pay cases visited,	182
Total number of free cases visited,	73
Total number of no-charge visits,	186
	<hr/> 517
Total number of visits made to school,	122
Total number of visits for the year, school and district,	1,843
Number of hours worked,	2,436
Number of patients taken to hospital,	17
Number of patients taken to physician,	9

The Well Baby Clinics were held every Thursday P. M. 2 to 4, at the Red Cross office on Main street. The records are ever changing as the new babies are admitted, and the babies three and four years old drop out. The daily attendance at these conferences average 5. At present there are 27 babies enrolled.

Four patients were taken to the T. B. Clinic at Elliot Community hospital to be examined by Dr. Kerr. Three of these patients are having follow-up visits made at various intervals by Mrs. Aiken, County T. B. nurse.

During the summer epidemic of poliomyelitis, one child in town succumbed to the disease. As soon as all danger of contagion had passed and upon the order of the physician in charge, special muscle toneing and exercises were begun, on the child's limb that was paralysed. Frequent contact was kept with Dr. Lee, head of the Orthopedic department at Keene hospital.

I attended a conference at Concord, conducted by Mrs. Mary Davis, State Supervisor and Child Health. In November, attended a course in First Aid, sponsored by the Keene Red Cross Chapter. Others attending from Winchester were three firemen—Harry Byrnes, William Byrnes, and Stephen Sosnoski. All attending from this town received certificates for passing the Standard Course in First Aid.

On October 23, a Diphtheria Clinic was held here under the auspices of Miss Elizabeth Carriel, State Child Health Nurse. Dr. Robbins of Keene gave the inoculations assisted by Miss Carriel and myself. The excellent work done by the committee made this clinic a success, 129 children between the ages of seven months and seven years were inoculated.

During the vacation month, August, Miss Katherine Knapsy, R. N., of Keene, substituted. It was her first time in Winchester, she enjoyed her work here and was very well liked by the various patients she served.

Miss Flanders, Red Cross Representative, and Miss Lena Uehlein, Representative of the Public Welfare, visited several times during the year. Miss Deutsch, Metropolitan Nursing Supervisor, visited here on May 22, and various members of

the D. N. A. met with her and discussed various nursing problems.

I wish to take this opportunity to express my sincere appreciation to the physicians, town officials, and members of the D. N. A., who have co-operated so willingly that the Public Health Service might be a success.

Respectfully submitted,

RUTH S. WOODHOUSE, R. N.

HEADMASTER'S REPORT

I hereby submit to the superintendent of schools my annual report for Thayer High school.

The junior-senior enrollment is classified in the following table. This includes the undergraduates only.

Grades	Latin	Com.	Dom.	Arts	Agri	M. T.	Totals
12	8	19		4	3		34
11	8	13		10	6		37
10	7	16		6	8		37
9	9	12		8	15		44
8				16		21	37
7				18		17	35
	—	—		—	—	—	—
Totals	32	60		62	32	38	224

Enrollment in the regular high school classes total 152, post graduates 3, making a total of 155. Junior high enrollment (72), total for the building (227).

Two of the instructors this year are teaching the full eight periods per day, in addition each has charge of important school activities outside of the regular class work. Every teacher in the building is teaching or supervising study halls eight periods per day. The increasing number of students transported who must carry their dinners presents one of our most serious problems. During the winter season there is no suitable place for eating and no chance or place for recreation.

There were no changes in the teaching staff this year. It has been a number of years since such a report has been possible.

The excellent co-operation of the superintendent and school board with the teachers makes for greater efficiency and smoother operation of our seriously over-crowded building. For the third year additional seats and desks have been purchased. Every available space except the halls now has its maximum of desks and chairs.

The Agricultural department of the Thayer High school started the year by re-organizing their chapter of Future Farmers of America. Officers were elected, and a program for the year was outlined. One of their projects was to have an Agricultural Fair on the High school grounds. The date of October 12th was chosen. The students exhibited fruits, vegetables, poultry and live-stock. Other articles sent by local manufacturers were displayed. During the afternoon, athletic field events were held. Awards, in the form of ribbons, were given.

This Fair afforded the students the opportunity of some practical experience in judging before going to the Inter Scholastic Judging Contest at the University of New Hampshire. The results of this Judging Contest showed that Thayer received a total of 31 points out of a possible 53, winning first place in the Wood Identification.

The farm shop has been re-arranged: A closet for storing tools has been built and a new power saw has been installed. This has greatly assisted the students in constructing many useful articles for the farm.

Last spring 3,000 spruce, 2,500 white pine and 2,500 red pine were set out by the students on their own farms and in the town forest plot.

A school garden project was carried on by one of the students. The vegetables raised, were used by the Domestic Arts classes.

The usual class room discussions were carried on in dairy, poultry, live stock, orcharding, care and repair of farm ma-

chinery, and current legislation in farm activity and a study of farm credit.

The increased enrollment in this department has so crowded the class room that it is difficult to get all the students inside the door. These crowded conditions naturally make for less efficient results.

The members of the Home Economics classes assisted some of the clubs and organizations in preparing foods and serving their luncheons. The girls in the class in home care and management made, among their projects, two hooked rugs, giving practice in dyeing and preparing the materials as well as the hooking and finishing of the rugs. The foundations were from grain sacks which were carefully washed, and the rest of the material was discarded clothing. When completed the total cost of the rugs was \$1.00, which was spent for the dye.

A team sent to Keene to the Annual Scholastic Day Contest placed first in the state in Home Economics. The girls chosen to represent the class were Beryle Thompson, Lois Oliver, and Eunice Hamilton.

REPORT OF SCHOOL NURSE

For the Year 1935

I hereby submit my school nursing report for the past year. One hundred twelve, (112), visits, were made to the various schools for the purpose of the annual examination with the doctors, class-room and individual inspections, and treatment of minor injuries. Inspections were made always with the hope of checking contagious diseases.

Number of children taken to various clinics:

Dental clinic, Dr. Harvey Grimes at D. N. A. rooms and high school,	149
Tonsil and adenoid, Dr. Eades, Keene hospital,	11
T. B. clinic, Dr. Kerr, Keene hospital,	1
Vision clinic, Dr. Roy Pratt, Keene,	14
Eyes and ears, Dr. Eades, Keene,	
Eye,	1
Ear,	1
Mental hygiene clinic, Dr. Mitchel, Manchester,	1
Diphtheria clinic, number of children receiving in- noculations,	20
Number of school children examined by physicians,	519
Total number given treatment in schools,	53
Total number given treatment at homes,	47
Number of class-room inspections,	40
Number of parent consultations,	14
Number of children excluded from school during year,	18

These exclusions were because of the following: German measles, scabies, pediculosis, pink eye, severe colds.

I wish to take this time to thank the Superintendent of Schools, the school teachers, and all other individuals who have assisted in any way, with the Health Program.

Respectfully submitted,
RUTH WOODHOUSE, R. N.

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Winchester:

I have the honor to submit, herewith, my eleventh annual report.

Buildings and Grounds: At the Center School, the temporary wooden fire escape was replaced with an iron one and anchored to a cement base so that the escape is strong, safe and usable. This building was also painted two coats which adds very much to its appearance and that of our Main street. A new hardwood floor was laid at the Scotland school. New outside doors were hung at the Barber school. Minor general repairs were made about the other buildings.

I feel that the District will not again need the building at Lower Ashuelot. Therefore, in my opinion, the sooner it is disposed of, the sooner the District will be relieved of its repair and upkeep.

We need give thought to two problems. (1) Improvement of the Center school playground; (2) to increase the facilities at the Thayer High school. This building was built to house 150 pupils. It houses now over 220 or 50% more than it was designed for. We have added extra seats until every available space is utilized. We have a manual training room to accommodate 12 pupils but have classes of over 20. The same is true in case of the Commerce and Agricultural Departments. We are also seriously handicapped by the lack of a gymnasium and assembly hall, for adequate provision for health and social programs. An addition that would provide for a combination gymnasium and assembly hall and including 2 class rooms and enlarged shop area would add nearly 100% to the enlargement

of our services. A strip of the Burbank land stretching straight back to the brook would enable us to develop a complete community center, including a swimming pool, tennis and volleyball courts, hockey rink and ample room for play space for all age and sex groups.

Teachers and Pupils: Only two changes are to be noted in the teaching staff. The services of a special music teacher were dispensed with. Miss Edna Noyes of Laconia, N. H., was engaged to take the sixth grade to succeed Mrs. Beland Peirce and Miss Dora Theuner of Manchester, N. H., succeeded Mrs. Retta Gee Stone. Miss Theuner teaches music in the first three grades and Miss Noyes does the music in grades 4 to 8.

The tragic death of sub-master E. E. Barnes was recorded in this report a year ago. His place has been ably filled by Mr. Albert C. Cook, a graduate of Massachusetts State College, with over 4 years experience at Wilbraham Academy.

It is sometimes interesting to consider the costs of schools when referred to the average cost of similar services in the state. In 1934-35, the median cost of elementary education in New Hampshire was \$76.93, while in Winchester the average per pupil cost was \$68.53 or \$8.40 less than the state median. The average cost of educating a high school pupil in the state was \$75.19; in Winchester, it was \$59.25 or \$15.94 less than the state average. The average cost in the state for transporting children to school was \$43.36 per pupil. In Winchester, it was \$34.57.

I cannot close without mentioning the sudden death last August of Judge Maurice E. Partridge, for many years a member of the School Board. All his life he had given unstintingly of his time and talents to the service of his community in many and varied capacities. His interest in education in general and in Winchester's schools in particular was well known and widely appreciated. In his passing, the schools have lost one of their most ardent and loyal supporters.

In concluding this brief report, I wish again to express my thanks and appreciation to the School Board, to teachers and pupils, and to the parents and citizens of Winchester for the continued loyalty and cooperation in the work of our schools.

Respectfully submitted,

WESLEY H. DOUGLASS,

Superintendent of Schools.

The great task of the school is no longer that of preparing the individual to compete for pecuniary success in a highly competitive society, for we no longer live in a highly competitive society. Its primary task is to give the individual a realistic understanding of society and its problems, to examine critically and to test by the democratic ideal the various proposals that are being brought forward for economic and social reconstruction.

JESSE H. NEWLON,
Teachers College, Columbia University.

Educators face a fourfold challenge today, that of (1) rebuilding the family as a stabilizing factor in modern life; (2) rebuilding a moral code of adequate living to replace the inflated postwar standards; (3) rebuilding a genuine patriotism which shall include both national and international loyalties; (4) rebuilding a conception of dominating spiritual forces which were shattered in the grief and despair of war devastation and desolation.

IRMA C. VOIGHT,
Dean of Women, Ohio University, Athens.
